

Timber Trails Community Association, Inc.
Annual Meeting Minutes
November 21, 2020
Meeting held via ZOOM Webinar

President Rick Metzger called the meeting to order at 9:38 AM via Zoom. Rick welcomed the Members and introduced the TTCA Board of Directors. Board Members present were Dan Bernheim, Dave Carbone, Rick Metzger, Connell McGill, Bob Ray, Barry Trachtenberg and Joe Varacalli. Also present was Community Manager, Wendi Freeman, Lake Naomi Club General Manager Robert Jones, and Security Chief John Lamberton. 106 TTCA Member families also signed into the meeting.

Rick called for a motion to approve the 2019 Annual Meeting Minutes. A motion was made, and all were in favor with no corrections.

Rick continued with Community Updates, including the estimate of a surplus going into 2021 due to lighter than normal snow removal and ice costs. He also provided TTCA Assessment collection information, stating that less than 1% of the Membership is delinquent.

Rick announced that the Proposed By-Law amendment to heavily increase speeding fines fell short of the two-thirds affirmative vote needed to amend by-laws possible due to a terribly slow US Postal Service. As many TTCA Members have reported not yet receiving a ballot, the Board will extend the due date.

Rick spoke to the Members regarding the Timber Trails roads stating that the cutting back of vegetation was continuing, signage was added in the form of stop signs speed limit signage and stop bars were added at existing stop signs and crosswalks were repainted. Rick applauded Management and the Maintenance staff for getting all those items done to make TTCA Roads safer and hopefully cut down on the speeding. Rick also updated the Members on the roads that were paved in 2020 through Reserve/Replacement funds including Blockhouse, Buckskin, Crockets Crescent, Flintlock, Centennial and Pioneer.

The TTCA Board opened the meeting for Member questions. The questions received prior to the meeting were read and answered. The chat feature questions were read and answered by the Board. Those questions and answers can be heard by listening to the TTCA Annual Meeting available by using the private URL for the video recording:

<https://youtu.be/8WKm6-Is2OI?t=1087>

There being no further business, the Annual Meeting of the Timber Trails Community Association, Inc. was closed at 10:27AM. The Annual Meeting will remain open until the by-law vote is completed.

Respectfully Submitted,
Wendi Freeman, CMCA, PCAM
Association Manager
