Telephone: 570/646-9191

IMPORTANT MESSAGE FOR POCONO PINES COMMUNITY ASSOCIATION HOMEOWNERS

Effective January 1, 2019, County Waste has resigned from providing the Lake Naomi Community with trash collection services. After review of other collection service providers, the PPCA Board has determined that there are no other reasonably priced options and will discontinue trash collection services as part of the annual PPCA assessment. The 2019 PPCA dues will be adjusted reflecting this change in community service. **AS OF JANUARY 1, 2019 YOU WILL NO LONGER BE CHARGED FOR GARBAGE PICK UP AS PART OF YOUR PPCA ASSESSMENT.**

The PPCA has negotiated with County Waste to provide service to PPCA Members on an individual basis at a preferred rate. Rates will be based on your needs, as you can choose from three levels of service, 96 gallon can, 64 gallon can or 30 gallon can. You may choose year round service, or simply sign up and be billed for the months you need!

County Waste will provide totter carts to those who wish to use them, but please remember that these cans are not bear resistant and all cans regardless of type must be placed in a wooden enclosure or brought back to your house after pick up. Cans cannot be left at road side unless they are secured in a wooden enclosure. The cans shown on the flyer (located on the back of this page) are those provided by County Waste, however, County Waste will continue to allow use of the Bearicuda cans, will empty them and place them back in the wooden bin at the same rates listed on the flyer.

Another option for trash disposal is the Tobyhanna Township Transfer Station located on Sullivan Trail. You can drop bags off at this location for \$5 per bag. The hours for the transfer station are Monday through Friday, 8:00AM to 4:00PM, and Saturdays from 8AM to 3:00PM. Please note that the transfer station is not open on Sunday. There is also a private service contractor; Brendan Rusden & Father that will be offering private pick up, please contact them at 267-240-1476 for information and rates.

Please note that you are not obligated to use County Waste or any of the other trash options mentioned in this letter for your trash pick-up. According to our information, the only other garbage company that provides individual residential service to our area is Waste Management. If you choose Waste Management please confirm with them that your cans will be put back into the wooden bin, or taken back up to your house if you will not be here to do so!!

The PPCA Board will continue to look at all other options for trash disposal. If you have any additional questions please feel free to email me at wfreeman@lakenaomiclub.com.

Effective January 1, 2019 the Pocono Pines Community Association will no longer be providing Trash & Recycling collection services!

County Waste has been selected as a preferred contractor to provide these services for your Lake Naomi home effective January 1, 2019.

Please call **1-800-832-1332**

Monday thru Friday 8am to 5pm and Saturday 8am-Noon
to activate your account and guarantee no interruption of your collection services.

- Carts are available (not bear proof! Per LN Standards all cans must be placed in a wooden enclosure and secured from wildlife.)
- No more recycling items blowing all over!
- Keeps recycling materials dry!

We offer trash removal pick up service pricing for 3 different sized trash carts, you can select the service that will fit your needs. Recycling carts are offered in 2 sizes, 65 gallon and 35 gallon.
